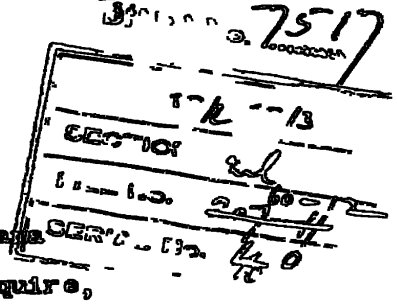
Office of the President, Municipal Council,
Bangalore City, dated the 29th May 1913.



From

Dewan Bahadur Raja Sabha Bhushana
K. P. Puttanna Chetty Esquire,
Honorary President, Municipal Council,
Bangalore City.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

I have the honor to state that the levy of toll on vehicles etc, entering the City limits was brought into force in the year 1900 under the authority of Government Order No. 4251 / L.F. 194-94 dated 27th September 1899. The rate of toll sanctioned to be levied on every hackney or cart drawn by men, bulls, bullocks, horses, asses or mules was 2 annas when laden and one anna when not laden.

2. When the bye-laws were framed under the new Municipal Regulation, the same rates were adopted and were specified in the schedule submitted with the said bye-laws for sanction of Government with this office letter No. 313 dated 11th May 1908.

3. The Government suggested certain alterations in the bye-laws and returned them for opinion of the Council with letter No. 134 / Ml. 555-07 dated 19th June 1910. In the manuscript schedule received with the above the aforesaid rates had been entered as one anna and half anna respectively, but as there was no reference to any alteration in the rates in the above letter, the change does not appear to have been noticed, and the Council having approved the alterations in the bye-laws as suggested, the same were resubmitted for sanction.

4 When the bye-laws were returned sanctioned with order No 4102-3 / M1 555-07-4 dated 28th November 1911 the schedule showed the same rate of one anna and half an anna, but this does not seem to have been noticed even then, for the notices calling for tenders to collect tolls which were issued after the receipt of the above order, i.e , in May 1912, repeated the long existing rates of 2 annas and one anna

5. The change was brought to notice while preparing the form of notice calling for tenders for the year 1913-14 As it seems to be only a clerical error, the rates of 2 annas and one anna have been retained in the said notice as heretofore.

6 I therefore request the favour of your causing necessary corrections to be made in the schedule received with Government Order No 4531 / M1 207-11-5 dated the 25th December 1912 which is herewith submitted for reference.

I have the honor to be
